Sir,

Sub:- St.Agnes College, Mangalore - extensions to the existing building Request for grant.

Ref:- Government Memorandum No.32057 G3/48-1, Edn. dated 29-5-48.

3249 p5 and

With reference to para 2 of the Government Memorandum referred to above, I have the honour to submit herewith the file relating to the Building scheme of St.Agnes College, Mangalore.

In December 1946, the Principal of St.Agnes College, Mangalore applied for Government aid for a small extension to the College Buildings. This extension was intended to provide the additional accommodation that was absolutely essential to secure affiliation in Botony (Main), Mathematics (~~Hon~~ main) with Chemistry (subsidiary) in the B.A. pass course.

The necessity for opening some science course in the College needs no explanation. There is no other first grade college for women in Mangalore offering science subjects in the B.A.Class. The estimated cost of the extension is only Rs.12,100/-.

The extent of accommodation available is shown in the sketches on pages 21-23 ~~xxxx~~ in the current file. This accommodation is reported to be insufficient even for the existing strength of the college viz. 328. It was under these circumstances that the scheme was included in the quarterly list of building schemes.

The enclosures may kindly be returned when no longer ~~xx~~ required.

Grant - Building - List of approved works for the quarter ending 31.3.1948.

No.32057/48. From the D.P.I. Rc.No.1038-K4/48 dated 26.4.1948.

Please see the letter from the D.P.I. on p.1 c.f. and the consolidated list (at page 3 c.f.) of building schemes for aided colleges for the quarter ending 31.3.1948, for inclusion in the approved list, ~~on p.3 c.f.~~ The submission of quarterly lists was prescribed in Govt.Memo.No.61717/46-B1-6Edn.,dated 1.10.47. For the quarterly lists of building schemes for secondary and training schools so far included in the approved list, please see p.p. 3-4 of (M). As far as Aided colleges are concerned, ever since the quarterly list was introduced, no building scheme has been included in the approved list. For the quarter ending 31.12.47, the D.P.I. recommended the inclusion in the approved list of the scheme relating to the construction of a teaching block at an estimated cost of Rs. 4,36,000/- for the St.Christopher Training College for Women, Madras. This Deptt. proposed a grant of Rs. 50,000/- for this scheme, but it was ordered in circulation that as a provision of Rs. 65,000/- has been included in the B.E.for 1948-49 for payment of grant to the same college towards the construction of a hostel, and as the construction of a teaching block in the college is not very urgent, the proposal to include this scheme may be deferred ~~for the present~~. The D.P.I. was informed accordingly.

Now the D.P.I. has sent the consolidated list for Aug. 31-3-48 included this scheme as item (1) ~~in his quarterly list for the quarter ending 31.3.1948~~. It is now for orders whether in the circumstances stated above, this may be included in the list of approved schemes for the quarter ending 31.3.1948.

The second item which he has included in ~~his~~ consolidated list

for the quarter ending 31.3.1948 is the ~~xxxxxxxxxx~~ Scheme relating to extension ~~xfx~~ to the college building of the St.Agnes College, ~~Mxxxx~~ Mangalore, at an estimated cost of Rs. 12,100/-. For orders whether this scheme may also be included in the ~~quarterly~~ list of approved schemes for the quarter ending 31.3.1948.

The case may be circulated to H.M.(Edn) for orders on A ~~and B on pp. 1-2 ante~~: on page 1 ante and 'B' abo

With regard to the St. Christoper's Training College, we shall be giving them this year a grant of Rs.67,000 or so and so I don't think we need consider their application again. After all the funds at our hands are very limited.

With regard to the Mangalore College, I don't see the papers connected with that college in the file the details of that college building may be put up

I have seen the College myself. It caters for about 10 to 15 girls. I find the college accommodation required for these 15 girls is quite good and I don't know for what else they require the buildings.

Please See H.dl (Edn.s) minutes at c' on p 2 ~~cf~~ anve. The connected papers and the details of the building extension of St. Agnes College, Mangalore, are put up at (w). Kind attention is invited to D.P.I's letter on p9 cf. ~~p1 cf of (w)~~ He states that the extension ~~was~~ mainly intended to provide additional accommodation that was absolutely essential to secure affiliation in Botany (Allain) Maths (Allain) with Chemistry (Subsidiary) in B.A. Pass Course. The D.P.I reports that the existing building is found insufficient even for the present strength of 328 pupils. The estimated cost of extension is Rs 12,100 as approved by the G.C. Architect to Govt.

Under these circumstances and as it is the only 1st grade College for women in Mangalore, the D.P.I states that the scheme was included in the quarterly list of building Schemes.

It is for orders whether the scheme may be included in the list of approved schemes. ~~and that it may be sanctioned~~.

The draft below is submitted for approval. The enclosures at (w) may now be returned to the P.P.
